

# KENNETH VIER CERRADO

First, I ensure active listening to engage with people as I value teamwork and it's part of my self-commitment to improve my communication skills as well. Secondly, I am resourceful and be able to absorb new information quickly. Lastly, I am receptive to training. As an OJT, I am here to your good company to enhance my skills and be able to adapt to the reality world. I am willing to serve and to work for the good of your company to achieve its goals.
